Department Chair American Society of Civil Engineers Texas-Houston Section Architecture at the University of Texas at

Austin The Department of Architecture at The University of Texas at Austin is located in the College of Architecture at The University of Texas at Austin and offers Bachelor of Architecture and Masters of Architecture degrees. Our goal is to offer high quality and professional education in the theories and practices of architecture and urban design. Students will master concepts of mass, space, time and technology, as well as, architectural history and theory. The department offers an entry-level Bachelor of Architecture (B.Arch.) degree program, a Master of Architecture (M.Arch.) program, and an architect/engineer joint degree program, the Master of Architecture in Construction (M.Arch.C.) The M.Arch.C. degree program is designed for architects and engineers who wish to learn advanced construction technologies, gain experience in a construction industry, and earn professional credentials as a registered architect and an 82157476af
